

Eastern San Diego County Junior Fair

P.O. BOX 1202 – LAKESIDE, CALIFORNIA 92040

Dear Friends and Supporters,

The 2017 Eastern San Diego County Junior Fair is fast approaching. Our 4-H and FFA youth, parents and leaders are joining forces, preparing for another amazing year.

The 4-H and FFA youth of our community are busy planning and budgeting for their projects, enabling them to make their choices the best that they can be. Whether it be raising livestock, raising a small animal, growing a field of oat hay or making something for home arts. These kids spend countless hours working on their projects, before school, after school and on weekends. They attend classes, meetings and competitions throughout the year honing their skills and knowledge. The Eastern San Diego County Junior Fair brings the 4-H and FFA youth together to exhibit these projects they work so hard on.

It is my pleasure to head up the only fundraiser for our Eastern San Diego County Junior Fair. Our BBQ and Auction will be held on Sunday March 19th at 11:00 am at the Lakeside Rodeo Grounds. In addition to inviting you to attend our BBQ and Auction, I would also like to invite you to play a part in this unique fundraiser. You can help by attending the BBQ and bidding on items in our live auction and you can also help by contributing a donation.

Each year our donations grow and are varied. In years past we have auctioned off items like amusement park and museum tickets, fishing trips and movie tickets. Our auction is famous for handmade quilts, afghans, crafts, jewelry and woodworks. You will also find homemade jams, jellies, salsa and baked goods. Restaurants donate meals and local businesses donate shirts, jackets and ball caps. All to help raise money to put on the fair in May. Anything is auctionable and 100% of the monies raised goes directly to the expenses of the fair.

We are an organization run by volunteers. We are very proud of this time honored event. We feel confident that through these experiences, we plant seeds of healthy competition, good work ethics and a sense of community pride.

These wonderful young people are our future veterinarians, farmers, teachers and business men and women. We as a community need to pull together to help them on their way.

Should you decide to donate an item to our auction, please respond to the addresses and phone numbers listed below. Your donation is tax deductible. Our tax I.D. # 501ce95-3026977

Thank you so much for your support.
